

Hope for the Holidays

A DIFFERENT KIND OF CATALOG

Give the gift of **HOPE** this Christmas!

Living Hope for Honduras

You and your family can
honor others by choosing
gifts that have lasting impact!

THE GIFT OF HEALING \$100

Dr. Derrick is a former recipient of LH scholarships. He built his own clinic and serves the needs of his home community, including girls from Nanny's Casa. Donations help provide medical care, supplies, and COVID-19 response. Help stock his medical cabinet!

GIFTS FOR THE SOLE! \$100

Every little girl
loves shoes!

And these girls are
growing so fast, one of
the twelve seems to need
new ones almost daily!

Hand-me-downs are
frequent, but new shoes
are still needed.

THE GIFT OF GARDENING \$25

Food for Nanny's Casa is supplemented by a plentiful vegetable garden, also offering education and work opportunities for the girls. Seeds and plants needed!

THE GIFT OF SCHOOL UNIFORMS \$50

House mom Olga sews uniforms for Nanny's Casa girls... and teaches them to sew! Donations help out with fabric and supplies.

THE GIFT OF EDUCATION \$325

Government supported education is provided only through the sixth grade. To attend/complete high school, students need help with uniforms, books and supplies. Support a student for one year...give hope for a better life!

SUPPORT A COLLEGE STUDENT FOR ONLY \$2,000!

THE GIFT OF GROWTH \$350

Esperanza Viva is the farm adjacent to Nanny's Casa, where staff raises beef and dairy cows for use in the community. Various tools, supplies, feed, always needed!

THE GIFT OF BENEVOLENCE \$1000

Local churches are the community resource for benevolence. Help the churches provide food, infant formula, and labor for widows and families who are most in need.

OUR PURPOSE

Seeking to put God's love into action, Living Hope partners with Honduran communities to improve housing, promote education, rescue abandoned girls, and strengthen churches.
